About CampusPro

Transition is a way of life. AIIM's '**CampusPro**' program prepares you for transitioning from campus life to corporate life. It has been carefully designed keeping in mind expectations that the corporate world has from you.

Every year just a select few fresh graduates and management students enter the corporate world. The remaining struggle, at times for months and years, for getting a suitable job. For employers, a large number of these graduates and post graduates are seen as unprepared for the job and hence unemployable. In which category do you want to be? Think about it.

CampusPro is a program specifically designed to enable you to make a successful, smooth and stress-free transition from the casual lifestyle of college to prestigious corporate corridors. This program will create a sound foundation from which you can launch your career and instil in yourself the ethics, attitudes and confidence essential to become an effective member of a professional team. Most importantly, **CampusPro** will enable you to present yourself as an attractive candidate to a future employer. With this program, you can aim to get ahead in a competitive world.

CampusPro covers resume writing, interview skills, group discussion, corporate grooming, workplace attitude, email & telephone etiquette, internal & external interactions, personal effectiveness & confidence building. In addition, you will learn how to solve various aptitude topics like quantitative aptitude, logical reasoning, verbal ability etc.

This will prepare you for competitive exams, which is conducted by many large and leading employers as a part of their recruitment process.
